

***J. MARK DAVIS, PRESIDENT OF THE COCA-COLA SCHOLARS FOUNDATION***

**CONGRATULATIONS 2005 COCA-COLA SCHOLARS!**

I would like to personally thank all applicants, principals, teachers, mentors, and others who help to make this scholarship application process a success each year.

The Coca-Cola Scholars Foundation recently welcomed the 2005 class of Coca-Cola Scholars to Atlanta, GA and into the Coca-Cola family. While in town the Scholars were the honored guests at our annual banquet, they toured the city, engaged in enrichment programs, and participated in a community service project with Hands on Atlanta as part of National Youth Service Day.

Our banquet is a gala event that featured the *251* new *Coca-Cola Scholars*, *Coca-Cola Scholar Alumni*, our distinguished *National Selection Committee*, senior executives of The Coca-Cola Company and Coca-Cola Bottlers, and finally our *sponsors* who make it possible for us to continue to provide scholarship opportunities to deserving students each year.

Please click on their logos to learn more about our Platinum and Gold *sponsors* and see a list of National and Regional Coca-Cola Scholars by state and high school by clicking on *Finalists and Semifinalists* under More Info.

Once again, congratulations 2005 Coca-Cola Scholars!
